Principal's Report:

P-2 Literacy- 86% are at grade level (overall)

81 % of ANS students are at grade level

100 % of Indigenous students are at grade level

Report Cards- Reports will go home Thursday, November 28th. Staff will analyze and discuss report card data at a future staff meeting.

Resource- We are in our second 6 week block of resource support.

Literacy Support- We are in our second 6 week block of early literacy support.

SSP- We are currently in Cycle 2 of our SSP. Cycle 2 will focus on analyzing data and planning appropriately.

Fundraiser- The school raised about \$9000. This is less than previous years.

Class Trips- In November, the Grade 1's went to the Natural History Museum. Feedback from the museum was very positive in relation to student behaviour and participation. The Grade 3's went to Alderney Theatre to

view a Coastal Dance Theatre Society performance of The Nutcracker.

Thanks to our generous sponsor for making this possible. The students thoroughly enjoyed it.

Holiday Concert- This will take place at Woodlawn High auditorium on Wednesday, Dec. 11th. Tickets will go home at a later date.

Remembrance Day Presentation- Each class contributed to a whole school slideshow which was viewed/discussed in classrooms. We received positive feedback.

School Lunch Program- We are at the end of our first month of the program. There are various vendors throughout the HRCE so quality control has been a focus. Parents are wondering about things such as other vendors, menu items, waste. They are inquiring about where to go with concerns/complaints etc. The SAC will facilitate this.

New Business:

SAC Innovation Grant Fund- Brookhouse is in the planning stages with Portland Estates. Spending is anticipated for February, 2025.

Closing:

Next SAC date - **Wednesday January 29th, 2025 @ 6 pm via Teams**
